

SHOWMAN -- MENTAL SKILLS GROUP

The Showman Activity Badge offers a choice of puppetry, music, or drama. A WEBELOS can pick the area that suits him best. Showman Activity Badge is in the Mental Skills group.

The Showman activity badge has something for every Webelos scout. For the natural actor there is drama, for the shy boy there is puppetry, and for every boy there is music. The aim of the badge is not to produce skilled entertainers, but to expose boys to theater and to music arts, to help them build self-confidence, and of course, to have fun. Everyone loves a show and most all boys have a generous chunk of ham in them and want nothing better than a chance to let it out. If you don't give them a chance under controlled conditions, they will take it when you least expect they want it.

The Showman activity badge gives them a chance to let out the hidden barely Shakespeare, Jerry Lewis, Leonard the Great or what ever happens to be their style. It allows them to express themselves musically be it kazoo or Steinway. Providing the entertainment for the pack meeting will be a challenge gladly met by Webelos Scout boys and the sillier the better! The badge covers most of the field of entertainment and acquaints the boys with ways of putting on various shows or skits. Making the props also can be used as part of the Craftsman badge. Skits and Songs are covered elsewhere in the Bugle. Every conscientious leader of boys is working to further develop the whole boy- physically, emotionally, spiritually, and mentally so he will be prepared to take his place as a well-adjusted member of his social group. The Showman badge offers the opportunity for a boy to develop his creativity and broaden his base of aptitudes.

Ceremonies

Getting Started Opening Ceremony-

A dramatization using four Webelos, who stand in a diagonal line at one side, facing the audience, and the Webelos Leader, who is facing the Webelos and the audience on the other side.

W.L.: David, how would you set out to do a good turn?

(David takes one step forward.)

W.A.: John, how would you get started on a camp out?

(John takes one step forward.)

- W.L.:** Ray, how would you start on a hike?
(*Ray takes one step forward.*)
- W.A.:** Mike, how would you start out to achieve your first activity badge?
(*Mike takes one step forward.*)
- W.L.:** Yes, it is as simple as that to make a thousand mile journey, to run a race, to learn a trade, to meet new people, to climb a mountain, to create a masterpiece, to build sky-scrapers, to design a spaceship. Yes to do anything worthwhile, there is always a first step, and it is the most difficult one to take.
- WA:** If you are to progress in life, or in Tigers, Cubs, Webelos, or Boy Scouting, you must first face your goal and then get started with that all important first step!
(*On the words FIRST STEP, all the boys take one step forward again and then salute.*)

The Athenian Oath Closing-

- Cub # 1:** We will never bring disgrace to this, our city, by any act of dishonesty or cowardice.
- Cub # 2:** We will fight for the ideals and sacred things of the city, both alone and with our companions.
- Cub # 3:** We will revere and obey the city's laws.
- Cub # 4:** We will try unceasingly to quicken the sense of civic duty in others.
- Cub # 5:** In every way, we will strive to pass the city on to our sons, greater and better than it was when our fathers passed it on to us.

Skits

Putting on a Skit

The Cub Scout literature has poems and stories that can be used for skits, but the public library has a lot more material. Ask your librarian for directions to the literature the theater sections of the library. The youth or juvenile sections of the library also has material that is more suited to the age of the Webelos Scout. A good skit is really a play in one act and can be more readily handled by 9 and 10- year-old boys. The Cub Scout How to Book contains some good ideas on how to write your own skit or one act play. Let the Cub's be creative. They can make the play up about anything they are interested in, sports, Scouting, a silly moment in the Den meeting, etc. Making costumes and putting on "stage makeup" makes the task more fun and enjoyable.

Glove Finger Puppet--"Three Little Pigs"-

Materials:

- hot glue gun (used by leaders),
- scissors
- garden gloves
- small pom-poms (pink, gray & black),
- large pom-poms (same colors)
- pink and gray felt
- googly eyes

Directions:

Hot glue large pom poms to finger tips-palm side of glove.

Glue on small pom poms for noses.

Then glue on ears and eyes.

Glue hat (cut from felt) on wolf and

Dot nostrils on each pig with a black permanent marker.

Use your creativity to create other glove-finger puppets, like Goldilocks and the Three Bears, Jack and the Beanstalk, etc.

Soda Straw Harmonica-

Cut a strip of corrugated cardboard with large corrugations, 8" long and 1 1/2" wide.

Cut 8 straws into the following lengths: 8 1/2", 7 3/4", 6 3/4", 6" 5 1/4", 4 1/2" 4 1/4"

Push the straws between the sections of the cardboard beginning about 1/2" from one end and leaving four empty corrugations between straws.

The shorter the vibrations, the higher the pitch.

To play, blow over the straws.

Tin Masks-

Materials:

- Scissors
- Sharp nail
- Aluminum pie pans (9" or larger and 4" pot-pie size),
- Brass fasteners (various sizes)

Directions:

1. Using the 9" size pan as the base for the mask, have the Scouts imagine all the facial features that might appear on the mask. Have them draw out a design for their special creation.
2. If any embossed design is used, place the pan on a stack of newspaper for support. Using the nail or a ball-point pen, use firm, even pressure to draw the design on the plate. Enough force should be used to bend the plate out on the other side, but be careful not to puncture to pan.
3. Cut shapes for added features from other pans. The pot-pie size is great for this part. The shapes can be cut from paper first to be used as a guide for cutting the tin.
4. Use small brass fasteners to connect the shapes to the base of the mask. Make small nail holes in the pieces of the pan where they are to be connected. Push the fastener through both pans to make the connection.
5. Larger brass fasteners can be used for additional decoration. Foil wrap or tinsel may also be used for details.
6. Tape a tab ring pull from a soft drink can to the back to use as a hanger for the mask.

The Showman activity badge has something for every boy. For the natural actor, there's drama; for the shy boy, there's puppetry; and for almost every boy, there's music. To earn this badge, the boys need to complete 4 requirements in one of the three areas. The aim of the badge is not to produce skilled entertainers, but to expose the boys to theater and music arts, to help them build self-confidence, and of course to have fun. This badge offers boys the chance to develop their natural abilities. This badge is a natural outlet for becoming comfortable with performing skits for others at den and pack meetings.

Games

Movie Star Walk

This is best done in a large building with many obstacles. Divide the group into teams of six to eight people and tie them together at the wrist to form a "chain." Use long balls of colored string or yarn to layout a course. Have each team follow their colored

yarn wherever it goes without breaking their chain or the yarn. The first team with their yarn completely rolled up and their chain not unbroken wins.

Acting

After discussing how things feel, everyone pantomimes an emotional reaction to feeling something and the others try to guess what he is feeling. Examples: Holding a snake, picking a prickly plant, hot sand on bare feet, something sticky.

Show Biz Buzz

Choose a number that the players cannot say aloud. For example choose number 5. Start off counting around the circle. When the counting reaches any number that includes a 5 or a multiple of 5, that player must name a television show instead of the number. Counting should be rapid. When a boy can't think of a show, he is out. No show can be repeated. Start off with an easy number like 5. When they become good at it choose other numbers. You may want to change categories as well. How about movies, musical stars, musical instruments?

Den Meeting Activities:

- Invite a drama coach to discuss stage directions and what they mean
- Invite a clown or makeup artist to demonstrate makeup for the boys
- Learn how to make sound effects for plays and skits
- Tape record the boys to show how different they sound on tape from what they are used to
- Let the boys create their own skits to perform in the den or at a pack meeting
- Video tape a play that the boys create, act in, and make costume for
- Design a puppet stage out of cardboard boxes
- Let them try their hand at making different types of puppets for plays
- Set up a shadow puppet screen for a play
- Ask the band director to show the boys the different instruments in the band
- Make homemade instruments for a den "band"
- Have a den meeting where the boys bring in their favorite music to listen to
- Perform a song with the den "band"
- Go to a play, recital, or concert
- Visit a rehearsal of a local play
- Visit a TV station or a recording studio

Costumes

Mustaches

There is probably no other disguise that can change a person's appearance so quickly as a fine mustache. Behind a mustache you can be anybody-politician, detective, television star, or even the bearded circus lady. Dressing up is great fun, and every child should have a special drawer or box of old shoes, out-of-style hats, dresses, jewelry-and mustaches. Actually, a mustache can be the whole

costume, as most of the time you really don't need an elaborate disguise. Still, if you think that the mustache alone isn't convincing, a large bath towel and a few safety pins can help round out your image. It's so fun to imitate life-being the "baddy" with a pencil-thin mustache curled up at the end, or maybe the "goody" with a big floppy mustache. You won't really feel the magic of your mustache disguise until you see yourself in a mirror!

Constructions

Use heavy paper to make your mustache. If you want, you can glue yarn, fuzzy fabric, [etc. to](#) your paper mustache. The mustaches shown here are examples. You can copy them or make up your own. It's easy to invent a mustache. Draw the mustache pattern on a sheet of heavy paper like posterboard or file folder. Cut out the mustache, and try it on for size. Be sure to make the two little hook cutouts that attach to your nose. Experiment until you get the hooks just right so the mustache will stay in place. That's all there is to it. Now why not have a mustache party or maybe a mustache day?

Marionettes

In America, puppets brought theater to many folks. If they lived too far from the theater, they could take advantage of the puppet show. Help your boys recall the theater, and express themselves by making puppets. They can be made from empty spoons, craft sticks, string, or whatever you have handy.

Thaumatrope By Barb Stephens A thaumatrope is a card with different designs on each side which, when the card is twirled, blend into one.

Create one or both of these nature thaumatrope. Enlarge graphics to desired size.

Cut out a pair of pictures. You can make them square or circular.

If you cut out square shapes, glue them both right-side-up on opposite sides of a pencil or straw. Place the pencil between your palms and rub your palms in opposite directions, back and forth.

If you cut out circular shapes, place one upside-down behind the other. Then poke a tiny hole on the sides of both papers and tie a string (about 6" each) into each hole. Now twirl the string so it gets corkscrewed. Then alternately relax the pull and tighten the pull on the string so it rotate

Make Up

Homemade Make-Up Recipes

White Greasepaint-

2 tsp. of white shortening

5 tsp. of corn starch

1 tsp. of white flour

A few drops of glycerin

The ingredients can be mixed easily with a spatula. Store in a tightly covered container. To apply, start by cleansing face with cold cream or another cream cleanser. Then start spreading grease paint on face with finger tips. You want it thick enough to color the face but not so thick that the greasepaint cracks when you move the facial muscles. If it seems too dry to spread evenly, add a few drops of glycerin and mix well.

Brown Greasepaint –

1 tsp. of white shortening

24 tsp. of unsweetened Cocoa

5 tsp. of corn starch

1 tsp. of white flour

A few drops of glycerin

Mix the same as for white greasepaint, You may need a little extra glycerin in this greasepaint because of the added ingredient. Remove with baby oil.

Translucent Colored Make-Up –

In a small container, mix some liquid cleanser with powdered sugar, till desired thickness. Add food coloring to desired color. Make-up should be about the consistency of cold cream, so add powdered sugar till then. This-make-up can be applied with the fingers, but a more even coverage is achieved by using a small make-up sponge. This make-up allows the natural skin tones to be tinted, rather than totally covered up. It will wipe right off with tissues, or can be removed with baby oil, as most make-ups are. Again... this make-up, as well as most others, works best when applied to a thoroughly cleansed face that has been tissue dry.

White Face –

Thoroughly cleanse face, then apply a thin layer of cleansing lotion or cold cream over areas to be made up. Dab a clean cotton ball into white cake eye shadow and pat on face. Try to cover face as evenly as possible with as many layers of powder as you need to get the desired effect.

Black Outlines –

Black cake eyeliner works the best for most striking black details and dramatic outlining. Especially for clown make-up, large mouth areas and other details should be outlined in black first, and then colored in with the desired colors.

Indian Faces –

Rather than using the very dark greasepaint for Indians, use a cosmetic cream or cake foundation just darker than natural skin color. Leave areas to be colored free of foundation, so the colors will show up better.

Sound Effects

Sound can include three separate things: voice, sound effects and music. The primary concern is that the audience is able to hear the show clearly. For beginners a narrator can stand in front of the stage

and “tell” the story to the audience. Have the boys speak their lines loudly and project their voices past the stage area. This takes practice.

Both sound effects and special effects will add another dimension to the play. Be creative, but keep effect subtle. Do not overuse any one effect. Match the appropriate sound to your needs and situation. Timing is important.

- ✓ Whistles, horns, clocks rattles and musical instruments add interesting sounds to a puppet show. You can also use a record player, or tape recorder.
- ✓ You can make lots of sounds with a kazoo.
- ✓ Make bubbling sounds by blowing through a straw into a cup of water.
- ✓ To make a tremendous crash, drop a pan full of metal lids.
- ✓ Hit 2 cups on a tabletop to make sounds like a horse.
- ✓ Use a cap gun for a loud bang.
- ✓ Rolling dried peas in a pan can sound like rain.
- ✓ Slam 2 books together to make the sound of a door closing.
- ✓ Shake and squeeze a plastic bottle of baby powder to make a puff of smoke.
- ✓ In a dark room, use a flashlight to make lightening.

Webelos Do Their Best

Cast: 7 Webelos Scouts, Leader

Props: Desk, 7 Chairs, 7 Sheets of paper, 7 pencils.

Setting: All are seated and leader stands before them, passing out paper and pencil.

Leader: Boys, before we begin, let’s review. What is a 7-letter word with 3 “U’s” in it?

Webelos #1: Gee, I don’t know, but it must be unusual! (*Puzzled look on face!*)

Leader: If April showers bring May Flowers, what do May flowers bring?

Webelos #2: Pilgrims.

Leader: Can anyone tell me what a comet is?

Webelos #3: Yes, a star with a tail.

Leader: Very Good!! Now, will someone name a comet?

Webelos #3: Er, Er, Lassie?

Leader: (*Shaking head in dismay*) Boys, you may begin on your papers.

Webelos #4: (*Whispering to Webelos #5*) I made 100 yesterday at school. (*Webelos #5 looks surprised*) 30 on math, 30 on reading and 40 on spelling!!

Leader: (*To Webelos #5*) Did you look at his paper? (*Points to #4*)

Webelos #5: Why??

Leader: The first 4 answers are the same but on the 5th answer he put “I don’t know” and you put “Me neither.”

(*To Webelos #6*) Why did you make such a low grade on this?

Webelos #6: It must have been the room temperature.

Leader: Did you find the questions hard?

Webelos #7: Oh No!! Just the answers were hard!

Leader: After having observed the den and looking at your papers, I think you have done your best. I would like to award the Showman badge at the next pack meeting. You’ve written a terrific skit.
