# Introduction to the 2009 Cub Scout Pow Wow & University of Scouting CD

WELCOME! You had a great time at Cub Scout Pow Wow and the University of Scouting, learned a lot, met fellow Scouters, made some new friends. Now its time to get to work, and take what you learned back to your youth. Here is your resource CD for 2009. For Cub Scout leaders, the 2009 resources are intended to supplement your monthly Program Helps, to plan Den and Pack meetings. For Boy Scout leaders, there are resources on this CD about classes you probably did not get the chance to take. So print out sections, mark them up. After all, you'll get another CD next year!

Your editors know that you look forward to the this resource each year, and depend on new material and resources to help your programs. It is getting harder to find new material - much is recycled these days. We have sought out material from old Pow Wow books, fifteen years of Baloo's Bugle and other documents, original material from Scouters around the world, web sites and sources outside Scouting. We know that some material will be familiar to you, but you should also find a lot of fresh ideas -- crafts, skits, songs, and lots more.

In this age of internet Scouting, you also need to know that there are many resources to help your program, as close as your computer. The US Scouting Service Project at <http://www.usscouts.org> is the largest resource on the internet for Cub Scouts and Boy Scouts programs. For Cub Scout programs, the very best resource is Baloo's Bugle, at <http://www.usscouts.org/bbugle>. You will also find online Pow Wow books, songs, skits, stories, recipes and much more, at <http://www.macscouter.com>.

We want to thank a whole bunch of people for their significant contributions to this book: A special thanks to Dave Lyons, editor of Baloo's Bugle - much of the Cub Scout monthly theme resources were gleaned from older Bugles with similar themes. Thanks to all the UOS instructors who provided their class notes and backup material. Thanks to the many councils who have provided their Pow Wow book files to include on the CD. Thanks to all the many Cub Scout contributors to the US Scouting Service Project web site, the participants on Scouts-L and the local Scouters who responded to our plea for HELP!!!

-- Gary & Kyna Hendra

# Part 1: Cub Scout Pow Wow And the 2009 Monthly Cub Scout Themes

## 2009 Cub Scout Monthly Themes and Webelos Activity Badges

It's a very good idea to plan your Den and Pack program around the monthly themes suggested by BSA. This is because the program helps which you receive each month in Scouter magazine, follow the sequence of themes and Webelos Activity badges. The program helps, and the monthly theme resources in this book, can save you a lot of time and effort preparing activities for your Scouts. The table below gives the themes and badges by month, until we meet again at Pow Wow.

Following this table you will find the theme resources for each month. These resources consist of den activities and gathering activities, opening ceremonies, advancement ceremonies, songs, audience participations, cheers, closing ceremonies and Cubmaster's Minutes, for each theme. Following all that, you will find resources to help with each Webelos Activity badge.

### 2009 Cub Scout Monthly Themes and Webelos Activity Badges

<u>Scouting Month</u>	<u>Theme</u>	<u>Description</u>	<u>Webelos Activity Badges</u>
February 2009	<b>AMERICAN ABC'S</b>	Take a personalized tour of the USA by the letters: Austin, Baton Rouge and Cambridge to Xenia, York and Zion. Our country contains an endless variety of scenic and historic places. What is special about these places? This month we'll find out by visiting historic places, theme parks, museums, and zoos. Choose a city or an historical site to highlight. Invite a guest speaker who can share something special about the places your Cub Scouts have picked to discover. Use maps or collect tourist brochures to learn more about places to visit. Your local historical society or public library is a great place to get started. Celebrate your blue and gold banquet with local foods from your choices of the ABCs and decorate to highlight your choice. This would be a good month to work on the Citizenship belt loop or pin or the Geography belt loop or pin.	Scholar Engineer
March 2009	<b>WHEN I GROW UP</b>	Explore career possibilities of the 21st century this month. Host a pack career fair, inviting several adults to share what they do for a living and how these career opportunities might change as you grow up and technology advances. Discover how having a positive attitude is essential in reaching career goals. Den meeting plans could include field trips to learn about different occupations of interest to the boys and playing games centered on different jobs. This would be a good month to work on any of the Cub Scout Academics and Sports belt loops and pins - let the boys vote on the one that fits best with what they want to be when they grow up. For those future astronauts this month is a perfect time for a space derby!	Athlete - Engineer

## 2009 Cub Scout Monthly Themes and Webelos Activity Badges

<u>Scouting Month</u>	<u>Theme</u>	<u>Description</u>	<u>Webelos Activity Badges</u>
April 2009	<b>JURASSIC PACK</b>	Explore the land before time! Imagine living in a time when dinosaurs roamed the Earth. What have paleontologists learned about the great beasts that roamed the Earth millions of years ago? Did any dinosaurs live where you do now? Find out what they ate, where they lived, and how they moved. What could we learn of these creatures that lived so long ago? Make a model of a dinosaur or visit a museum where dinosaur fossils can be seen. Make your own "dinosaur footprints" or "fossils" in plaster. Take a "dinosaur" scavenger hike by going on a hike and looking for things that might have been found during the Jurassic era. This would be a great time to work on the <i>Geology</i> belt loop and pin.	Sportsman - Family Member
May 2009	<b>LEAVE NOTHING BUT FOOTPRINTS</b>	Warm weather is a perfect time for outdoor adventure, complete with den hikes in the neighborhood, park, or on local trails. As we enjoy our outdoor world, we should strive to take nothing but pictures and leave nothing but footprints. Learn about Leave No Trace guidelines and ways we can minimize our impact on the environment. Take a backyard hike and practice the Leave No Trace guidelines. Have a contest to see who can take the best wildlife photograph. Earn the Cub Scout Leave No Trace Awareness Award. Do your Good Turn and leave these areas cleaner than you found them. Remember to record your service with Good Turn for America. The end of the month has all dens moving up the Cub Scout trail. You might want to consider working on the <i>Wildlife Conservation</i> belt loop and pin this month.	Outdoorsman - Artist
June 2009	<b>A CAMPING WE WILL GO</b>	This month Cub Scouts go camping! Have a backyard campout with your family. Pitch a tent or sleep out under the stars! Conduct a pack campout at a nearby Scout camp, state park, or even the local museum. An outdoor pack meeting might include a nature observation hunt, followed by an evening around the "campfire". Attend your council's Cub Scout or Webelos Scout resident camp as a den or pack or the council's family camp with your whole family. Camping doesn't always mean overnight; day camp is always lots of fun. Get those boys outdoors and let them discover the fun of camping while working on their Cub Scout Outdoor Activity Award. Whatever you do, do it outside and find out what the outing in Scouting is all about. While out on the trail, you can work on the <i>Map and Compass</i> belt loop and pin or the <i>Astronomy</i> belt loop and pin.	Traveler - Handyman
July 2009	<b>BE A SPORT</b>	Not only is it important to do your best when you try new sports but it is important to understand the rules of being a "good sport" no matter how the game goes. Play ball, soccer, tennis, or any sport! Learn about a sport that you've never played before. Have a sports competition with another Cub Scout pack in your area. Have athletes from a local high school or college speak at your den or pack meeting. Ask them to teach you about their sport. Learn a sport you can play with your family: golf, tennis, bowling, swimming, or skating. Have a pack sports day. Cub Scouts can create an obstacle course for the pack to enjoy while earning the belt loop and pin for <i>Physical Fitness</i> or any of the many Cub Scout Sports subjects.	Aquanaut - Geologist

## 2009 Cub Scout Monthly Themes and Webelos Activity Badges

<u>Scouting Month</u>	<u>Theme</u>	<u>Description</u>	<u>Webelos Activity Badges</u>
<b>August 2009</b>	<b>FUN IN THE SUN</b>	Let's go outside and have fun in the sun. Plan some outdoor activities this month that will encourage dens to meet and make preparations together for your pack event. It's a great time for a pack picnic, with each den planning a game or activity. Have a Cubanapolis derby with dens preparing their vehicle and practicing maneuvers during den meetings. Stress good sportsmanship and team building during the planning stages, as well as during the actual event. Create kites in your dens and have a kite flying derby or a family picnic to show off your creations! This might be a great month to work on the Cub Scout Outdoor Activity Award or a Cub Scout Sports belt loop or pin.	Naturalist - Forester
<b>September 2009</b>	<b>CUB SCOUT POCKETS -</b> <i>Character Connection: Compassion</i>	What can possibly be in a Cub Scout's pocket? What is in a boy's pocket can tell a lot about who he is and what he likes. The boys can share and show off their collections and maybe even start a new one! Put some marbles in the boy's pockets and teach him how to play the game of marbles. Pick an interest of the boys and go on a field trip to explore and learn about it. Maybe a trip to a rock quarry in search of fossils, or a nature hike around the den meeting site to pick up items. This is also a great month to educate the boys on what can go on their uniform and then make some goals to accomplish their rank advancement, special awards, belt loops and pins, and involvement in camps and council events. This might be a good month to work on the Collecting or Marbles belt loop and pin.	Communicator - Citizen
<b>October 2009</b>	<b>JUNGLE SAFARI -</b> <i>Character Connection: Resourcefulness</i>	Help boys discover fun and adventure in the wilds of Scouting. Take them on a month-long safari. Learn why Africa is special to our founder Lord Baden-Powell. Find out how the Jungle Book story connects to Scouting. Use it and its characters to highlight den meeting games, crafts, and costumes for the pack meeting. Learn about the things you need if you are going on a safari and how would you survive. What do Scouts in Africa do? What are their uniforms like? Take a den trip to a local zoo, animal rescue facility, or wildlife refuge. Work on the Cub Scout Outdoor Activity Award or the Wildlife Conservation Academic belt loop and pin.	Showman - Citizen
<b>November 2009</b>	<b>CUB SCOUT SALUTE -</b> <i>Character Connection: Respect</i>	This month Cub Scouts salute those heroes who help keep us safe and secure each and every day. Can only adults be heroes? Heroes are often ordinary kids who did something out of the ordinary! A den can decide what makes a hero and who the heroes of tomorrow might be by looking at people they know today. Learn about heroes in your own community, as well as Scouting heroes who have earned BSA heroism awards. Have your Cub Scouts invite their hometown heroes to a den or pack meeting. Perhaps your den can become "silent heroes" by performing service for others without seeking any recognition. Visit a fire station, veteran's hospital (Veterans Day is this month), police station, or teacher's classroom and learn about their heroic deeds and reciprocate with a "Scout salute" for their contributions. You might work on the Citizenship belt loop and pin.	Craftsman - Readyman

## 2009 Cub Scout Monthly Themes and Webelos Activity Badges

<u>Scouting Month</u>	<u>Theme</u>	<u>Description</u>	<u>Webelos Activity Badges</u>
<b>December 2009</b>	<b>WORKS OF ART -</b> <i>Character</i> <i>Connection: Faith</i>	December is a time of celebration and giving. This is a perfect month for involving friends in doing good deeds and creating holiday magic through art. Cub Scouts use their artistic abilities to create holiday decorations, gifts, or cards. This artwork might be put on display in nursing homes, in churches, schools, or homes, and at the pack meeting or at a meeting of the chartered organization. Boys can make cards and ornaments and share them with residents of a local nursing or retirement home, children's hospital, or community center and do a "Good Turn for America." Boys can discover different forms of art, write poems, attend a musical or performing art show, or visit a local art museum. Works of art can become gifts for family members. The Academic belt loop or pin in Art or Music could be worked on in conjunction with these projects.	Craftsman - Scientist
<b>January 2010</b>	<b>POWER UP! -</b> <i>Character</i> <i>Connection: Responsibility</i>	Boys explore the science of energy through solar, electrical, and wind power and how this energy is used in their everyday lives. They can explore different ways to conserve energy and protect the world we live in. Work on the Science or Weather belt loop and pin. Boys can invite friends to join in the pinewood derby and discover the power behind those little cars. What types of things are powered up by the flip of a switch? A field trip to the local water works or power plant might be part of the den's monthly plan. Finish up the month with a real power-packed pack meeting. The boys can power up by being physically fit and working on the Physical Fitness belt loop and pin.	Fitness Scientist
