Online Guide

Security Websites

Best Parent/Youth Website

"Online equals public." One in 5 children will be approached online by a predator. Target range is 11.5 to 15 years of age. Visit this site then counsel with your children, also a great site for teachers at http://www.wiredsafety.org/. This site is your one-stop reference for anything that you need help with online including Spyware, Adware, Malware, Phishing, and Virus protection.

BSA Recommended Websites

A Microsoft website with a lot of information for family Internet safety at http://www.safekids.com/.

A website maintained by the National Center for Missing and Exploited Children with information and activities broken down by age groups and a section for parents and educators at http://www.netsmartzkids.org/indexFL.htm

Learn how to help keep your children safe on the Internet by reading A Parent's Guide at http://www.fbi.gov/publications/pguide/pguide.htm

Predator Tracking

There are 2369 sex offenders in Santa Clara County at http://www.scanusa.com/.

The SCAN service broadcasts alerts directly to computers and wireless devices as they become available.

Cell Phone and PDA

Attackers are finding new ways to target victims. For further information refer to http://www.us-cert.gov/cas/tips/ST06-007.html.

Council Website

Leader Training Calendar Download

2007 Training Calendar at
http://www.scccbsa.org/files/2006_2007_Training_OnePageWebsiteCalendar_rev2.pdf.

Site Map

SCCC Site Map at http://www.scccbsa.org/html/resources/sitemap.html.

Venturing

Venturing Division at http://www.scouting.org/nav/enter.jsp?s=va.

Webmasters Guide

http://www.scouting.org/webmasters/ website guide for Council, District, and Unit Webmasters.

Finding Units

Unit Finder

The Unit Finder map shows scouting units closest to the address you enter. The map is not restricted to any particular Council or District. Select URL http://www.sfbac.org/unitfinder/

1. Type in your address information.
2. Select the Scouting Program Type.
3. Select Meeting days.
4. Select either Display Map and List or Display List Only.
5. Select Number of units to show. Select 5 first.
6. The map area will expand or collapse as you select more or less units.
7. Click on Submit.
   - ✓ Map is displayed with Scouting icons and their approximate location.
   - ✓ Click on hyperlinks below the map for unit specific data.
   - ✓ Print hardcopy (if desired) for reference.
