Pow Wow 2004

Dear Cub Scout Leader,

Welcome to Pow Wow 2004. The time you will spend at Pow Wow, and later at your computer or armchair reading over the great ideas from this 2004 Pow Wow book and CD will save you days of research and will make your job in Scouting more satisfying.

There are many things you could do for your family; Scouting is something you can do *with* your family. We hope that Pow Wow will enrich those experiences you have *with* your family. Please enjoy yourself at Pow Wow, and take full advantage of the opportunity to learn from and learn with other Cub Scout leaders.

On behalf of all of the Scouts who will benefit from your volunteer activities, Thank you!

Yours in Scouting,

Frank Erickson,
Scout Executive/CEO
Santa Clara County Council
Boy Scouts of America

January, 2004

Dear Scouters,

I have contributed to the Pow Wow book, and mastered the Pow Wow CD for the past few years. With the wisdom imparted from Leslie and Sakiko, the previous editors, I thought I would take a stab at the editor's job this year. You will notice that the format of this year's book is different from previous years. We decided to move away from dividing the book by month, where all the information for that month's theme was contained in its own chapter. Instead, we have separate chapters for the games, crafts, sparklers (songs, skits, run-ons), ceremonies, cooking, and pre-opening activities, along with chapters for Pack Leader (Den Leader and Cubmaster), and Webelos Leader resources.

Because of the popularity of the Internet, we have included many links to other resources on the web. A copy of the Pow Wow CD is included with this book, and should be used in conjunction with the printed book. The CD will allow you to link directly to the many good resources on the web.

Many thanks to the following people for their excellent contributions to the book:

- Leslie Gibbons, for her advise and Cooking and Ceremonies pages;
- Cindy Smith, for the Cooking pages;
- Lisa Corley, for the Crafts section, and the wonderful Den Leader and Webelos Tips;
- Sarah Rouse, for the Nature resources;
- The many instructors, who submitted their class notes and handouts!

My sincere appreciation to all of them.

I encourage the participants to take advantage of all the Scouting resources, and Cub Scout training available to help make doing a great job both fun and rewarding for the boys in your Packs and Dens. Thank you for your devotion to the Scouting program.

Sincerely,

BECAUSE OF MY SON

Because of my son – I found a job to do.
I became a Scouter, tried and true.

I understand boys better – because of my son.
It happened through Scouting – Gee, what fun.

Because of my son – I can be worthwhile.
Oh what a reward, to see a boy's smile!

'Tis endless, the pleasures gained from Scouting.
Because of my son – I attend each meeting and outing!

Because of my son – I've gained friends beyond measure.
'Tis indeed blessed to hold, such a wonderful treasure!

Hours that were idle are now filled to the brim,
Because of my son – I enjoy life with him!

Because of my son – I've a new way of life.
I recommend Scouting for each husband and wife!

Don't spend your spare time, doing nothing at all.
Because of my son – heed the Scouting call!
